

**Austrian Garden  
Hotel & Restaurant**

— THE BEST OF AUSTRIAN & THAI HOSPITALITY —

# **Welcome to the Austrian Garden Hotel & Restaurant Patong!**

The Austrian Garden Hotel Patong is a homey, quiet resort although right in the center. Our guests appreciate the hotel's coziness, friendliness and warm-hearted atmosphere. We offer rooms for every taste, and in the tropical garden, a large fresh-water pool invites you to relax in the shade of the palm trees. Free Wi-Fi access is provided throughout the resort.

Austrian hotel- as well as Austrian restaurant managers are always available, trying to fulfil every need. We organize (almost) everything for you: from motor-bikes to tee-off times, from cakes to gala dinners, relaxing massages or interesting excursions. Our year long experience and extensive know-how will make your stay unforgettable. The staff is extremely friendly and you get good value for money. Many of our guests come back year after year to stay for several weeks, and word of mouth keeps bringing more and more visitors.

We are already looking forward to welcoming you (once again) as our guest!

## **Where we are?**

Our resort is located on Patong Beach, the most active and lively beach on the island. From the airport it will take a good hour from entering the taxi to check in your room. The beautiful Patong Beach is not more than a 3 minutes' walk away from the resort and the exiting Bangla Road with the nearby "Jungceylon shopping centre" can be reached in about 2 minutes by Tuk Tuk Taxi.

## **Why staying at the Austrian Garden Hotel Patong?**

Beside the fact, that we are hoteliers and love to make the holidays from our customers to something special we do have a big advantage compared to our competitors. We are absolutely aware about the expectations and main concerns from our customers. Cleanliness and hygienic standards are the most important points for us, as we know how important this matter is for our guests.

## ***The Restaurant***

The open space provides 100 seats, indoors as well as outdoors on a large canopy terrace with garden view, in a beautiful ambience.

The successful open-kitchen concept has retained unchanged and our Austrian chef Robert Pagitsch will provide a balanced assortment of traditional Austrian and Thai food. A large variety of beverages and well-assorted wines tops off the culinary experience.

## ***The Bar***

We have also integrated a cosy, canopied Chill out-Bar, where we serve exotic cocktails, classic drinks as well as little snacks. In the afternoons, we also offer fresh pies, coffee and tea. All major Sport-events (Bundesliga, Formula one, Moto GP, Ski Races, etc.) will be shown LIVE on our large screen.
